Hounds will move off promptly.

Bye days at the Masters' convenience.

Always check the hunt monitor (434-296-9405) on the morning of the meet in case of impromptu changes due to weather, landowner wishes, etc.

Access to any land during a foxhunt DOES NOT give permission to ride across the property at any other time.

---

The field is requested to:

Stay together and obey the Field Masters;

Avoid interference with hounds;

Give staff the right of way;

Close gates and report damage to fences;

Stay off newly seeded ground and lawns;

Ride carefully near livestock;

Give every consideration to our landowners through whose kindness hunting is possible.
