

Keswick Hunt Club

Trail Ride at Historic Brandy Station Battlefield

12465 Beverly Ford Rd., Elkwood, VA,
in back of the Regional Culpeper Airport (just off of Rt 29)

Date: Saturday, June 1st at 11 AM, Rain Date: Sunday, June 2nd

KHC Hunt Monitor: 434-296-9405

We are excited to offer a trail ride at historic Brandy Station Battlefield and will have an interpreter giving us an account of the 20,000 mounted troops who battled there. Fought in the second week of June 1863, Brandy Station was the largest cavalry battle ever fought in North America. June 9th will be the 161st anniversary of the battle. The battlefield includes 1,000 acres of protected land.

We will move off from the trailers at 11 AM so give yourself time to check-in and be ready to ride (please arrive after 10 AM). Following the ride, we will have a potluck tailgate so bring food and/or drink to share.

This is free for KHC members, guests are \$10 and exact change is greatly appreciated. We will also be collecting donations to give to our interpreter.

Safety helmets are required. Bring a printed current Coggins and a signed copy of the Brandy Station Waiver (available here). We also ask all participants to sign the KHC online waiver at <https://keswickhuntclub.com/foxhunting>.
